The House that Truth Built

Meet Free Speech Systems, LLC Owner, Documentary filmmaker, nationally syndicated radio talk show host **Alex Jones**.

As featured in such publications as The Wall Street Journal, USA Today, The Dallas Morning News, The Los Angeles Times, The Austin-American Statesman, and The Austin Chronicle, among many others, Alex Jones has created a powerful platform in an attempt to re-create a Bill of Rights and inspire freedom-oriented culture in the face of an ever more federalized and security obsessed America.

Alex is known for not just talking the talk, but walking the walk. He combines his media presence with actual physical activism, a practice that once led to him being arrested on the personal order of George W. Bush. Alex Jones has gained international attention by standing up for what he believes in.

From Italy's La Prensa to the Wall Street Journal and USA Today, Jones has brought the information war to the mainstream print media worldwide, speaking out against tyranny in defense of the Constitution. Featured on Good Morning America, 20/20 Downtown, 60 Minutes, The Discovery Channel, A&E and more.

Alex Jones is considered by many to be the grandfather of what has come to be known as the 9/11 Truth Movement.

Whether it be Bill Clinton or George W. Bush, Jones pulls no punches in bringing to light corruption on both sides of the political equation. His film, Terror Storm, which debuted at the American Scholars Symposium was hosted by Jones to a sold-out crowd in LA in June

"An absolutely riveting television presence..."

- PATRICK BEECH
Austin American-Statesman

2006 the documentary covers government-sponsored terrorism from September 11 to the London Bombings. He has been featured as a prominent figure in the 9/11 Truth Movement in such publications as the New York Times, Vanity Fair, Popular Mechanics and has recently appeared on MTV,

CNN, and CBC. He also appears in Warner Brother's Independent's A Scanner Darkly. Alex Jones continues to expose those that seek to take away what made America great, the Bill of Rights, the Constitution and each freedom our founders fought and died for.
